ELECTIONS—*continued.*

PETITIONS relating to ELECTIONS—*continued.*

1835, to Mr. Raphael, in which an agreement for Mr. Raphael's Return for the County of Carlow for two thousand pounds was concluded:———Motion, That it appears that Nicholas Aylward Vigors, Esquire, was cognizant of, and consenting to the said agreement, and that, in pursuance thereof, the said Daniel O'Connell and the said Nicholas Aylward Vigors did endeavour to procure the return of the said Alexander Raphael as a Member to serve in Parliament for the said County of Carlow, and who was returned accordingly: Question amended, and Resolution, That the tone and tenor of this Letter appears to this House calculated to excite much suspicion aud grave animadversion; but it appears, upon a careful investigation, that previous conferences and communications had taken place between Mr. Raphael and Mr. Vigors, and other persons connected with the County of Carlow, and that Mr. O'Connell was acting on this occasion at the express desire of Mr. Raphael, and was only the medium between Mr. Raphael and Mr. Vigors and the Political Club at Carlow:——— Motion, That to enter into, or consent to, such an agreement, was a high breach of the privileges of this House: Question amended, and Resolution, That it appears to this House, that the money was paid to Mr. O'Connell's general account at his banker's in London; that it was, however, advanced to Mr. Vigors the moment it was called for; that, though some of it was paid in bills, the discount was allowed, and that the amount was therefore available whenever wanted:—That it is, therefore, the opinion of this House, no charge of a pecuniary character can be attached to Mr. O'Connell:———Motion, That such agreement as aforesaid is in violation of the Statute passed in the 49th year of King George the Third, for preventing the giving or receiving of money on any contract or agreement to procure, or endeavour to procure, the Return of any Person to serve in Parliament, 283. Question amended, and Resolution, That it appears to this House, that this money has been expended, under the immediate direction of Mr. Vigors, and others connected with the County of Carlow, on what may be called legal expenses, or so unavoidable that this House see no reason to question their legality; and that the balance was absorbed in defending the Return of Mr. Raphael and Mr. Vigors before the Committee appointed to investigate it, on the 28th July 1835:———Motion, That it appears that there was between the contracting parties a distinct understanding that if any surplus should remain after providing for the legal expenses of the Election of Mr. Raphael, that surplus should be applied in the first place towards defraying the expenses of a Petition upon a previous Election, and in the next to the fund of the Carlow Liberal Club; and that such understanding calls for the notice of this House, as liable to serious abuse, as of dangerous precedent, and as tending to subvert the freedom aud purity of Election; Motion superseded by reading the other Orders of the day, 284.
